

Product data sheet

9300 N-60

EAN-No. 4000896203406

Application:

Use in impact wrenches with twin hammer mechanisms, spindles of extractors etc.

- Contains special extreme-pressure additives that give excellent load-bearing capacity
- Rapid and clean filling of the HAZET 2162M mini grease gun
- Improved mechanical stability prevents loss of lubrication performance in vibrating environment
- Good water washout resistance
- High oxidative stability
- High corrosion protection and excellent adhesion on metallic surfaces
- Grease cushion 60 ml
- Made in Germany
