

## Product information

# 90 10 165 BK

## KNIPEX CutiX®

Universal knife

- Innovative and variably extendable stabilisation bar: versatile, precise, and faster cutting
- Exert targeted pressure on the back of the blade without risk of injury, no unintentional bending or breaking of the blade
- Robust, durable magnesium housing: as light as plastic, strong as die-cast aluminium
- Fixed blade due to high-quality blade locking: Secure fit when cutting, pushing and scraping
- Handy: 165 mm long, weight approx. 111 g
- Original equipment with high quality snap-off blades and two spare blades in the handle, which can be changed without any tools
- Suitable for standard 18 mm blade types: smooth, curved and with hooks
- Fits comfortably in the hand due to its slim shape and numerous grip zones: firm and non-slip grip, comfortable hold
- Flat, ergonomic slides separately for blade and stabilisation bar, no accidental activation of the slides
- Reliable blade holder: Secure hold of the blade thanks to hardened steel pin
- When the rear end of the handle is closed, the blade slider and blade cannot slip out
- Tether attachment point for tool protection with KNIPEX Tethered Tools System

### General

Article No.	90 10 165 BK
EAN	4003773087533
Weight	142 g
Dimensions	165 x 40 x 19 mm
REACH compliant	does not contain SVHC
RoHS compliant	not applicable

*technical change and errors excepted*

Two spare blades in a secure compartment in the handle

Robust magnesium housing with non-slip gripping surfaces

No accidental loss of adjustment due to flat sliders fitted in the housing

The innovative blade stabilisation allows you to securely apply more pressure directly on the blade.

Ergonomic shape with numerous grip zones ensures safe and precise work.

Variable: Depending on your needs, the blade can be used rigidly or flexibly.

Quickly sharp again: The blades can be switched without any tools by just one push of the button.

Suitable for almost all common 18 mm snap-off blades

Tension-resistant blade lock and blade locking pin made from hardened steel
