

## Product information

# 98 25 00

- Ergonomically optimised dual component handle for fatigue reduced work and optimum transmission of force
- Handle design prevents rolling

## Screwdriver for cross recessed screws

Pozidriv®

IEC 60900 DIN EN 60900

⚡ 1000 V ⚡

### General

|                 |                                               |
|-----------------|-----------------------------------------------|
| Article No.     | 98 25 00                                      |
| EAN             | 4003773062370                                 |
| point           | burnished                                     |
| Handles         | insulating multi-component handle, VDE-tested |
| Weight          | 32 g                                          |
| Dimensions      | 162 x 25 x 25 mm                              |
| Standard        | DIN EN 60900 IEC 60900                        |
| REACH compliant | does not contain SVHC                         |
| RoHS compliant  | not applicable                                |

### Technical details

|                               |        |
|-------------------------------|--------|
| Size                          | PZ0    |
| Blade length                  | 60 mm  |
| Handle length                 | 102 mm |
| Blade Ø                       | 3.0 mm |
| Length of non-insulated blade | 15 mm  |
| VDE tested                    | yes    |
